DEEL'S PARTLY UNOPPOSED MOTION
TO TRAVEL WITHOUT GPS

Gary Deel, through undersigned, moves this Court to allow him to travel without having to wear his GPS to South Carolina for engagement photos with his fiancé/wedding-location scouting, showing specifically:

1. Deel is engaged. He and his fiancé would like to travel to Charleston, South Carolina, from August 30, 2023, to Sept 4, 2023, (economy class) for engagement photos and viewing potential venues for their wedding.
2. Deel having to wear a GPS monitor in said photos is less than ideal.
3. It just so happens that undersigned Zach Fertitta will be there over mostly the same period of time and will meet with Deel.

4. Co-counsel Davis spoke August 18, 2023, to pretrial officer Sutton. Officer Sutton said that Deel is compliant with all release conditions and the officer has no issues with Deel going to South Carolina and removing his GPS monitor for that trip.

5. Co-counsel Davis emailed that same day the prosecutor. He does not object to the travel but does object to the GPS removal.

Deel therefore respectfully requests this Court to allow him travel without having to wear his GPS to South Carolina for engagement photos with his fiancé/wedding-location scouting.

Respectfully Submitted,

/s/ Zachary B. Fertitta
